WEDDING

KRISTYLEA & DAVID BALLENTINE

Kristylea Mae Mendez and David W. Ballentine were married September 16, 2006 at the Fess Parker Winery in Los Olivos, California.

The bride and groom would like to thank their parents for instilling in them the love of God, faith, persistence, strength and the importance of family.

The couple honeymooned in the South Pacific and currently reside in San Luis Obispo where they are beginning to build their dreams together.

IN MEMORIAM

MARY BAKER

Mary Baker was born and raised in San Luis Obispo and prided herself in being a lifelong Central Coast resident. Although her parents were not well off, they managed to put Mary through school to pursue nursing at the University of California, Santa Barbara.

It was at the now-closed General Hospital in San Luis Obispo that Mary met her husband-to-be, Keith, an orthopedic surgeon, who she married in 1964. Mary had a real vocation for nursing, and although she gave up work to look after children, Susan and Katherine, she never forgot her time as a nurse and became heavily involved in fundraising for the American Cancer Society.

Mary liked nothing better than to take her French Poodle for a brisk walk down the beach in Cayucos, where she and Keith moved when he retired. She loved golf and had begun teaching her granddaughter Katie to play at the Avila Beach Golf Resort. She also enjoyed hot air ballooning, and when she came home from hospital for the last time, Keith and the girls arranged a special champagne flight for her as a surprise.

The Baker Family would like to thank the staff of Sierra Vista Regional Medical Center, Hospice Partners of the Central Coast, the American Cancer Society and the many close family friends and members of the community for their outpouring of love and support.

Mary is very much loved and missed by her family and friends. Her energetic passion for life and her devotion to her family carries on in the lives of her daughters and granddaughters.

HAPPY BIRTHDAY

TAYLOR HUNTER

Taylor Hunter will be celebrating her 5th birthday Sunday Dec. 24th, 2006 in Atascadero where she lives with her little sister Tecah, Mommy, and Daddy.

She attends preschool in San Luis Obispo and loves to play with her friends. Taylor doesn't have one favorite color, she likes them all. Her favorite doll is Barbie, but she really likes them all. Taylor says she would like to be a nurse, veterinarian, and a hard worker when she grows up. We wish Taylor a very special birthday.

Love, Mommy, Daddy, and Tecah
Happy Birthday Taylor!
